NAME - INQUIRY FROM WORK EMAIL

Kazakhstan, Almaty | rin.cm | business@rin.cm | t.me/RayAnyway

INTRODUCTION

A self-taught developer from Kazakhstan. I mainly work with Next/Nuxt ecosystems for frontend applications, with Go, Python and Node backends. I also do some infrastructure and DevOps work for my projects, using tools like Docker for orchestration and NixOS as my remote SSH OS. Passionate about Web3.

COMMERCIAL EXPERIENCE
